Forecast For Northwest England
Issued by Met Office Exeter
at 0400 on Tuesday 15 Jun 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Sunny spells and feeling very warm in the south.

Today:
A dry and bright start with sunny spells through the morning. Cloudier for a time further north, with plenty of sunny spells elsewhere during the afternoon. Feeling very warm in the south. Maximum temperature 24 deg C (75 deg F).

Tonight:
Remaining dry with sunny spells into the evening. Cloud increasing from the northwest overnight with outbreaks of rain moving south. A breezy night. Minimum temperature 8 deg C (46 deg F).

Wednesday:
A largely cloudy start with outbreaks of rain during the morning. Rain gradually easing through the afternoon but remaining cloudy. Heavy, thundery showers possible overnight. Cooler in the north. Maximum temperature 23 deg C (73 deg F).

Outlook for Thursday to Saturday:
Cloudy with the risk of heavy showers into Thursday followed by sunny spells. Sunny spells on Friday but cloud increasing later. Sunny spells and perhaps the odd shower on Saturday.
